

# The call in action: The Deed

**I am free.in.deed to be all that God  
has made me to be...**

free from fear  
free from disapproval  
free from the power of darkness  
free from insecurity  
free from being alone

*I have been forgiven  
I am worthy  
I am a disciple  
I am a light in the world  
I have a purpose  
I have been called*

And so I am free.in.deed...  
to carry good news to the poor  
to set free those who are captive  
to see people and the world we inhabit healed  
to stand against things that seek to oppress  
to proclaim the kingdom on earth as it is in heaven

I believe that Jesus has set me free.in.deed to join with  
him to bring change, hope and challenge to this world.

**I believe that Jesus has set me free.in.deed  
to put my call in action.**
