*Thank you...*

We are so grateful that you have chosen to support Church Mission Society.

In a year of much change and uncertainty, many of our teams worked at an extraordinary level, where CMS’s support was crucial.

Our local partners made new through the love of God as we follow Jesus to the edges. I look forward to sharing with you a year from now how we have seen God at work where the Church is minimal or marginal. Until then, I want to thank you and all those who pray for CMS, give financially and advocate for God’s work alongside a global family of wonderful colleagues and supporters.

I mentioned above that we have a renewed vision. It is: To see our world transformed for Jesus at the edges.

There is a mix of enthusiasm and humility about this, as we trust God to guide us through the transitions.

For every £1 spent on raising funds, we raised £1.413m. As you can see, total income exceeded total expenditure by £1.292m.

**The impact of what has enabled us to do:**

In a year of so much change and uncertainty, our local partners stood alongside us as we saw God’s mission take root and found peace in Jesus.

Danilo, a man who, through the love of God as we follow Jesus to the edges, found peace in Jesus.
