This message is to inform you of the financial activities of the Church Mission Society (CMS) during the financial year 2022-23. The CMS is a mission community acknowledged by the Church of England, serving in over 37 countries across 5 continents, and working with indigenous groups. The CMS partners with local churches to support mission and discipleship in their local communities.

**Mission at the edges**

Here are some glimpses of what your prayers and gifts make possible.

- **Local partners**
  - 22 local partners in Britain
  - 20 local partners in Europe
  - 19 local partners in Latin America

- **Mission Training**
  - 2023-2024 financial year in review
  - 51 students participating in mission training in Britain
  - 22 students participating in mission training online
  - 96 mission partners
  - 3 mission training organisations

- **Expenditure**
  - £2.5m to all who generously leave a gift to CMS in their will
  - £2.4 million in support of CMS’s mission and ministry activities

Thank you... for your prayers and support during the financial year 2022-23. We couldn’t do all that we do without our amazing supporters.

The CMS is a mission community acknowledged by the Church of England, serving in over 37 countries across 5 continents, and working with indigenous groups. The CMS partners with local churches to support mission and discipleship in their local communities.
