Path to becoming a pioneering parish

Where are you on the path?

Every pioneering parish is different and each one travels its own path using the tools they've received through Pioneering Parishes training.

While unique, each pioneering parish demonstrates five dynamics of pioneering becoming integral to their parish life. **Use this tool to find out where your parish is on the path.**

- 1** **Open the map up**, read each dynamic then prayerfully reflect on where your parish is along this path. Find more details of each dynamic on our website www.pioneeringparishes.org
- 2** **Colour in the path** for each dynamic according to how far you are along it.

Once you have completed this tool, visit our website: www.pioneeringparishes.org/path for help and support as you walk your path to becoming a pioneering parish.
